

## Love and Relationships

### EnableDating

the disabled dating community

#### Enable Dating

This website specialises in matchmaking for disabled people including people with learning disabilities. Their goal is to make their website a place for disabled people from all walks of life, with all kinds of disabilities and views, to get together and above all feel comfortable.

**Website:** <http://www.enabledating.co.uk>

#### Flame Introductions

This is the agency used in Chanel 4's The Undateables series. It is a Personal Introduction Agency providing specialist matchmaking service dedicated to helping people find the perfect person to love and share their life with. They cater to people from all walks of life in London and the whole of the UK.
